Construction Cost

\$518.8 million

Completion

September 2003

Client

Orange County, Florida

Architect

HHCP

A 3,037,725 GSF expansion. Phase V provides an additional 1,000,000 SF of exhibit hall space, and approximately 1,800,000 SF of meeting rooms, entry lobbies, concourses, truck docks, food service facilities, etc. to support the exhibit hall space. A pedestrian connector bridge of approximately 1,500 feet long was also built to connect Phase V Expansion with the existing facility.
